

COURSE: 9060 GT LEADERSHIP 1

Clark High School

Welcome to Clark GT! Our class is an **honors' elective** course open to all 9th grade students currently enrolled in the Gifted and Talented Program. GT 1 focuses on learning about leadership and organizational skills including decision-making skills, problem-solving techniques, communication skills, leadership roles, human relation skills and understanding the need for civic responsibility. Students will gain a hands-on, active learning approach to leadership. Want a smooth transition into high school, learn life skills, and be college ready? Join us in GT Leadership to participate in all these amazing opportunities!

- Please note--High School GT is **not** connected to a core class and it does not have an end of the year project. *GT Leadership 1 supports and enhances ALL HB5 Endorsements and develops college readiness.*
- **Parents:** We are always in need of volunteers during our fall or spring seminars/field trips. If you would like to sign up to volunteer, *please email me if you are interested in chaperoning a field trip!*
