Italicized courses are “on level” courses. Students must complete these classes (or a PreAP/AP equivalent) in order to graduate

*Indicates a college level course. Students receive +8 points added to their final course average and can receive college credit for the course upon successfully passing the course AP exam in May

Courses that have been **bolded** are elective courses and cannot be used to replace required social studies courses

(Dual Credit) courses award college credit (upon successfully passing the course) through NW Vista College

Advanced classes are designed to be “pre-college” courses and students receive +5 pts added to their final course grade
